EDUCATION

Degree	Institution	Date Degree Granted
Ph.D.	University of California at Berkeley Music Composition; Dissertation title: <i>Composing Instruments: Inventing and Performing with Generative Computer-based Instruments</i> ; Advisor: David Wessel	2005
M.A.	University of California at Berkeley Music Composition	2001
B.A.	Swarthmore College Physics and Music, Pre-med	1997

EMPLOYMENT

Carnegie Mellon University, Pittsburgh Associate Professor, School of Art, Sculpture, Installation, Site specific	2012-
University of Minnesota, Twin Cities Assistant Professor, Department of Art, Experimental and Media Arts	2007-2011
Spark Festival for Electronic Music and Art Artistic Director (2010), Artistic Co-Director (2008-9)	2008-2010
Center for New Music and Audio Technologies University of California at Berkeley Instructor for "CNMAT Summer Workshops"	2000-2012
Sony Computer Science Laboratories, Paris Affiliate Researcher in Atau Tanaka's Mobile Music laboratory	2003-2006
Center for New Music and Audio Technologies University of California at Berkeley Musical Systems Administrator	1999-2004

INVITED PARTICIPATION IN CURATED EXHIBITIONS (Selected)

2017 *Animated Resistance*, new project performance commissioned by and performed at **Swarthmore College, Swarthmore, PA, USA (April, 2017)**

2016 *Statuevision NYC*, new public participatory projection performance for the 2016 *Kickstarter Summer Festival*.
Kickstarter Inc. (commissioner), Fort Greene Park, Brooklyn, NY, USA (Jul 30, 2016)

Dranimate, featured during the Vice President of Research Rita Sallam's keynote presentation at the 2016 Gartner Business Intelligence & Analytics Summit. Two new *Dranimate* animations were commissioned for the summit, in addition to an existing

documentation video.

Gartner Business Intelligence & Analytics Summit 2016 in **Sydney (February), London (March), Dallas (March), Sao Paolo (June), Mumbai (June), Tokyo (July) and Munich (October).**

- 2015 *The Gutless Warrior*, public projection performance co-authored with Jenny Schmid
Curated by the **Northern Spark Festival**
Walker Art Center, Minneapolis MN, USA (Jun 13, 2015)

Dancing with Ruby, commissioned by Creative Capital in honor of founding director Ruby Lerner's upcoming retirement.

Manny Cantor Center, NYC, USA (Oct 17, 2015)

Dranimate, exhibited at the **Future of Storytelling** conference's **Story Arcade**
Snug Harbor, Staten Island NY, USA (Oct 5-6, 2015)

- 2014 *The Gutless Warrior*, public projection performance co-authored with Jenny Schmid
Commissioned by Carnegie Mellon University's DRAW 2014 symposium
Artist Image Resource, Pittsburgh PA, USA (Mar 1, 2014)

The Gutless Warrior, public projection performance co-authored with Jenny Schmid
Presented at the **Lawrence Free Festival**

Main Street, Lawrence KS, USA (Jun 27-28, 2014)

Statuevision, public projection performance

Commissioned by 5x5 Near Futures, a contemporary art biennial

Curated by Stephanie Sherman

Dupont Circle, Washington DC, USA (Oct 17, 2014)

telepuppet.tv, public projection performance a co-authored with Nima Dehghani

Commissioned by Connecting Cities, a European Commission project

MediaLab Prado, Madrid, Spain (Sep 27, 2014)

iMal, Brussels, Belgium (October 7, 2014)

FACT, Liverpool, UK (October 2, 2014)

- 2013 *Human Use of Human Being*, robotic installation co-authored with Robin Meier
Commissioned by **Maison des arts de Créteil (MAC)**
Festival VIA, Maubeuge, France (Mar 14 -24, 2013)
Festival EXIT, Maison des arts de Créteil, France (Apr 4-14, 2013)
Festival Le Printemps at Saint-Sauveur, la Gare Saint-Sauveur, Lille, France (May 3-Aug 11, 2013)

Truce, live mosquito and computer installation co-authored with Robin Meier

Exhibited at **Sonica** curated by Cathie Boyd, Patrick Dickie and Graham McKenzie

Center for Contemporary Art, Glasgow, Scotland (Oct 31 October – Nov 3, 2013)

- 2012 *Time Machine*, a permanent living video archive for a living museum
Commissioned by the **Harpo Foundation**
Elsewhere, Greensboro NC, USA (Aug 17, 2012)

Animal Warmth (64), light and sound installation

Curated by Ann Albano

Sculpture Center, Cleveland OH, USA (Nov 9 - Dec 21, 2012)

If The Lion Could Speak, augmented bee-hive installation co-authored with Robin Meier;
Commissioned by **Loire Atlantique**, curated by Virginie Bourget
Exhibited as part of *Une Mouche dans la Tête*
Domain de la Garenne Lemot, Clisson, France (May 10-Oct 14, 2012)

Department of Smoke and Mirrors, video sculpture co-authored with Jenny Schmid,
Commissioned by Davis Museum, curated by Lisa Fischman
Davis Museum, Wellesley MA, USA (Feb 15 - Jun 3, 2012)

A Tentative Call to the Other, sound installation co-authored with Robin Meier Exhibited
Curated by Ish Sherawat's
Sound Reason Festival, New Delhi, India (Nov 7-13, 2012)

Smoke and Hot Air, kinetic installation co-authored with Robin Mandel
Exhibited as part of **Musrara Mix 12**, curated by Saron Paz and Sharon Horodi
Musrara Schook, Jerusalem, Israel (May 30-Jun 5, 2012)

Smoke and Hot Air, Before I Die and *Animal Warmth (#28, The Time is Now)*
Exhibited in "Narrative, Mechanism, and the Digital Thread" curated by Erika Leppman
Schneider Museum of Art, Ashlan OR, USA (Mar 16 - Apr 28, 2012)

Dream Interpretations, participatory architectural projection performance
Center for Visual Art at Southern Oregon University in **Ashland OR, USA (Mar 15, 2012)**

2011 *Le Musée Itinerant*, a live projection performance co-authored with David Bithell
Commissioned by Lyndel King
Weisman Art Museum, Minneapolis MN, USA (Jun 6, 2011)

Women's Desert Liberation Front co-authored with Jenny Schmid,
Exhibited at **New Media Arts 2011**, juried by **DJ Spooky**
2011 Washington Project, Washington DC, USA (Feb 17, 2011)
Exhibited at Philagrafika
The Graphic Unconscious Print Center in Philadelphia, USA (Feb, 2011)

plis/replis, commissioned large scale installation in collaboration with Robin Meier
Exhibited as part of "Expérience Pommery #9: La Fabrique Sonore" curated by Claire Staebler and Charles Carcopino
Domaine Pommery, Reims, France (Sep 23, 2011-Aug 20, 2012)

The Tragedy of the Commons augmented leaf-cutter ant colony installation co-authored
Robin Meier, curated by Marc-Olivier Wahler
Palais de Tokyo, Paris, France (Jul 7-Sep, 2011)

The Battle of Everyouth, public projection performance co-authored with Jenny Schmid,
in collaboration with students from Washburn High School
Commissioned by **The Joyce Foundation** and **Northern Spark**
Minneapolis Institute of Art, Minneapolis MN, USA (Jun 4, 2011)

THE MOURNERS: Music from the Courts of the Burgundian Dukes, Live projection
performance accompanying the Rose Ensemble
Basilica of Saint Mary, Minneapolis MN, USA (Feb 18-19, 2011)

- Seaworthy*, public projection performance
 Commissioned by the UMN Institute for Advanced Studies
Northrop Hall Facade, Minneapolis MN, USA (Mar 9, 2011)
- 2010 *Animal Warmth #12*, augmented natural history diorama exhibition
 Commissioned by the Bell Museum of Natural History
Bell Museum of Natural History, Minneapolis MN, USA (Dec 9, 2010)
- Truce*, live mosquito and computer installation co-authored with Robin Meier
 Exhibited at **Dynasty** curated by Marc-Olivier Wahler
Palais de Tokyo, Paris, France (Jun 10-Sep 5, 2010)
- Serenity and Serendipity*, sound-installation co-authored with Robin Meier
 Curated by Jose Manuel Lopez Lopez
Auditorio Nacional de Música, Madrid, Spain (Jun, 2010)
- Smoke and Hot Air*, kinetic-installation co-authored with Robin Mandel
 Exhibition at **FeedForward/Angel of History** curated by Steve Dietz and Christian Paul
Laboral Centro de Arte y Creación Industrial in Gijon, Spain (Oct 10, 2009-Apr. 5, 2010)
- Mini-disasters at the Grand Fork*, live projection installation
University of North Dakota, Grand Forks ND, USA (Apr 2010)
- A Tentative Call to the Other*, sound installation co-authored with Robin Meier
 Exhibited at **Dynasty** curated by Fabrice Hergott and Angeline Scherf
Musée d'Art Moderne, Paris, France (Jun 10-Sep 5, 2010)
- Paraguay*, live-cinema performance co-authored with David Bithell
 Commissioned by the Ammerman Center for Art and Technology
Connecticut College, New London, USA (Feb 9, 2010)
- Exquisite Corpse/Lavish Martyr* public projection performance
 Commissioned by **ZERO 1 New Media Biennial** curated by Steve Dietz
San Jose, USA (Sep 16-19, 2010)
- 2009 *Truce*, live mosquito and computer installation co-authored with Robin Meier
 Exhibited at **SIGGRAPH** in **Yokohama, Japan (Dec 17-19, 2009)**
 Exhibited at **Spark Festival** in **Minneapolis MN, USA (Feb 18-20, 2009)**
- 2008 *What Paint Doesn't*, public projection performance
For Air, For Water, public projection performance co-authored with Da Wei Xu
Wall Whisperer, public projection performance
Beijing Film Academy, Beijing, China (Sep 2008)
- Animal Warmth (#28, The Time is Now)*, generative light installation
 Exhibited at Almost Cinema curated by Eva De Groote
Vooruit, Gent, Belgium (Oct 3-16, 2008)
- Table Setting* co-authored with David Bithell
 Exhibited at Almost Cinema curated by Eva De Groote
Vooruit, Gent, Belgium (Oct 14, 2008)

Smoke and Hot Air, kinetic-installation co-authored with Robin Mandel
Exhibited at Almost Cinema curated by Eva De Groote
Vooruit, Gent, Belgium (Oct 3-16, 2008)

Eyes and Ears and the Truth Itself (No People Allowed), public projection performance
co-authored with Jenny Schmid
Exhibited at **GM8: Pay Attention** curated by Christopher Pole and Patricia McMeans
Soap Factory, Minneapolis MN, USA (Sep 13-Oct 26, 2008)

2006 *What You Say, How You Say It*, interactive sound installation
Exhibited at *Listen* curated by Pamela Winfrey
Exploratorium, San Francisco, USA (Oct 21, 2006 - 2008)

Net Derive in collaboration with Atau Tanaka and Petra Gemeinboeck
Exhibited at **Maison Rouge, Paris, France (Oct 2006)**

2005 *Takemitsu: My Way of Life*, live electronics accompaniment to opera
In collaboration with **Kent Nagano, Peter Musbach** and the **Berlin Opera Company Théâtre du Châtelet** in **Paris, France (Oct 2005)**
Bunka Kaikan, Tokyo, Japan (Nov 2005)

Preset 153, live audio-visual installation co-authored with Lorenzo Bianchi
Exhibited at **Cité Université, Paris, France (Mar 10, 2005)**

An[ti]c, live video installation
Exhibited at the International Symposium for Electronic Arts (ISEA)
Cité Université, Paris, France (Dec 2005)

Frelia, interactive sound sculpture co-authored with Robin Mandel
Commissioned by the International Computer Music Conference (ICMC)
Exhibited at **Pixilerations** at **Rhode Island School of Design, Providence, USA (Nov 9-11 2005)**
Exhibited at **Universitat Pompeu Fabra, Barcelona, Spain (Sep 5-9, 2005)**

iPerg: Epidemic Menace, interactive sound design for pervasive game
Created in collaboration with Sony CLS and Fraunhofer Institute
Exhibited **Fraunhofer Institute, Munich, Germany (June 2005)**

2004 *Vaishnava Janeto*, permanent interactive sound installation
Produced by Ranjit Makkuni and Sacred World Research Labs
Eternal Gandhi Multimedia Museum, New Delhi, India (May 2004-present)

HONORS, AWARDS, GRANTS and COMMISSIONS

Total since first year as tenure-track assistant professor: **\$1,746,115.**

2017 **New INC:** Invited participation in the New Museum's New INC incubator to pursue the development of an ed-tech startup around immersive storytelling and youth voice

NSF EAGER: Maker Principal Investigator for grant to study "Enhancing Learning through Making by way of personalized content for animation and fabrication". \$240,568.

UPMC Enterprise Co-Principal Investigator with George Loewenstein for grant to develop "A Device to investigate bowel activity using sound analysis". \$465,931.

2016 **CMU Technology Transfer Office** Gap Filling Fund grant for "SocialVR," an accessible authoring and social experience tool for Virtual Reality storytelling. \$25,000

Grable Foundation Principal Investigator for grant (for development of an integration plan for SocialVR (accessibly authoring tool for Virtual Reality Storytelling). Project consists of development of examples and curricula for embedding SocialVR into Pittsburgh-area experiential learning settings including after-school programs and community engagement organizations. \$10,000.

Sprout Grant to support travel to London for presentation of SocialVR at the annual Mozilla Open Internet Festival, MozFest 2016. \$1,500.

Machine Learning for Artists and Designers, support from Carnegie Mellon's Schools of Art and Architecture, the Human Computer Interaction institute, the Carnegie Institute for Technology, the School of Computer Science and the Frank-Ratchye STUDIO for Creative Inquiry (SFCl) to support a series of three hands-on workshops by leading developers of machine learning tools for creative applications. Workshops held at SFCl, and will culminate in the publication of a Manual for Creative Machine Learning. \$4,400.

CMU Technology Transfer Office Gap Filling Fund grant for "Dranimate," an interactive software system for rapid and intuitive rigging and control of animations based on drawings. \$25,000

NSF I-Corps Support for development of “Dranimate,” including membership to National Innovation Network, access to the Project Olympus incubator program, mentorship and \$2,500.

2015 **Berkman Faculty Development Grant** Principal investigator for, “Shahnameh Remix,” a multimedia robotic and live animation opera. \$8,000.

Studio for Creative Inquiry FRFAF Grant Principal investigator for “Shahnameh Remix,” a multimedia robotic and live animation opera. \$6,000.

SPROUT Hive Grant, Principal investigator for the “Blue Slide Laboratory,” a research project aimed at developing playful situated learning scenarios in urban playgrounds, using augmented reality mobile apps. \$15,000.

2014 **5 x 5 Near Futures**, Principal investigator for a commission of a new work; public projection project for the statues surrounding Dupont Circle in Washington DC. The 5 x 5 project is the largest temporary public art project in the District of Columbia. \$15,000.

National Endowment for the Arts, Co-investigator with Jenny Schmid for commissioned adaptation of the *Gutless Warrior* for large scale outdoor projection as a part of Lawrence Art Center’s *Free State Festival*. \$5,000.

Connecting Cities Co-investigator with Nima Dehghani for commission for a new project entitled *telepuppet.tv*; a European funded project that will toured in Liverpool (FACT), Brussels (iMal, Nuite Blanche), and Madrid (MediaLab PradO) in September and October of 2014. Connecting Cities is a European and Worldwide expanding network building up connected infrastructures of media facades. \$8,000.

Carnegie Mellon University Integrative Design, Arts, and Technology (IDeATe)
Co-investigator with Lawrence Shea for seed grant for the development of a public performance and a course within Expanded Theater. \$50,000.

2013 **Creative Capital** Principal investigator for project entitled “The Center for Urban Intervention Research”; project includes publication of “A Manual for Urban Projection” and the establishment of the Center for Urban Intervention Research (CUIR) at Carnegie Mellon University. The 46 funded projects in 2013 were selected from a pool of more than 2,700 applicants. \$50,000.

Carnegie Mellon University Co-investigator with Golan Levin for College of Fine Art grant for \$5,000, Robotics Institute grant for \$2,000, School of Art grant for \$1,000 for execution of a workshop on OpenFrameworks and the Raspberry Pi embedded computing platform for the arts. \$8,000.

Carnegie Mellon University Co-investigator with Garth Zeglin for College of Fine Art grant for \$2,000 and Department of Electrical and Computer Engineering grant for \$2,000 for development of innovative teaching platforms for creative robotics. \$4,000.

2012 **Frank-Ratchye Fund for Art at the Frontier (FRFAF)** Co-investigator with Joshua Bard for

“Machine Robot Collaboration.” \$6,500.

Berkmann Faculty Development Grant Principal investigator for, “A Manual for Mobile Projection,” a text for bringing urban projection to the masses. \$5,000.

2011 **Harpo Foundation** Principal investigator for commission for a new work in collaboration with **Elsewhere**; design and implementation of real-time technologies and applied media for in-process storytelling and archiving that enabled virtual communication between on-site artists and participants. \$7,000.

2010 **Joyce Award** Co-investigator with Jenny Schmid for, for collaborative project with Minneapolis Institute of Arts 2010-2011, “Battle of Everyouth: Public Project Performance,” \$50,000, with total project costs of \$120,000.

Minnesota Futures Program Principal investigator for grant supporting a two-year project titled “Mobile Media for Everyday People: Bridging the Digital Physical Divide.” \$250,000.

University of Minnesota College of Liberal Arts Research Fellowship Principal investigator for dedicated to public projection performance. *Semester sabbatical.*

National Endowment for the Humanities Co-investigator with PI Nabil Matar, Bill Beeman and Jeanne Kilde for grant supporting **Bridging Cultures**, an interdisciplinary conference on Islam and the Humanities, total project budget \$130,000.

Minnesota State Art Board Festival Grant Co-investigator with Steve Dietz for supporting the 2011 Northern Spark Festival,” a city-wide dusk-to-dawn art festival, total project budget \$136,000.

University of Minnesota Grant-in-Aid Principal investigator for supporting “Public Engagement Through Immersive Street Performance” research. \$36,000.

Imagine Fund Annual Arts & Humanities Faculty Award Principal investigator for for the “Liminal Surface: Interactive Table-top Musical Theater.” \$3,000.

Principal investigator for University of Minnesota Imagine Fund Special Events Grant supporting “Talaie New Music Ensemble at the 2010 Spark Festival.” \$5,000.

2009 **University of Minnesota Imagine Fund Annual Arts & Humanities Faculty Award** Principal investigator for supporting “Liminal Surface: Interactive Table-top Musical Theater.” \$3,000.

CANDO Minneapolis Grant Co-investigator with Peter Haakon Thompson and Mike Hoyt for supporting community engagement with public projection events throughout South Minneapolis. \$6,000.

Mellon New Directions Fellowship University of Minnesota Nominee

2008 **University of Minnesota Office of International Programs Institutional Partnership**

Grant, Principal investigator for grant supporting a two-year project titled “Cellular Phone Culture, Mobile Media and the Power of Location-Based Interactive Applications,” in partnership with Kitchen Budapest. *\$25,000*,

University of Minnesota Institute for Advanced Studies Collaborative Research Grant Co-investigator with Jenny Schmid for supporting “Drawing, Animation, Projection and Kinetics.” *\$18,000*.

University of Minnesota Alexander Dubcek Fund Co-Investigator with Jenny Schmid for, supporting travel to Prague for a series of lectures and studio visits with local artists. *\$3,000*.

University of Minnesota Office of Information Technologies Small Grant, Principal investigator for “Support for Minneapolis Art on Wheels at 2009 ZERO 1 Festival,” *\$5,000*.

University of Minnesota Office of Information Technologies Instructional Equipment Grant, Principal investigator for supporting “Creative exposition and social engagement through mobile visualizations and sonification.” *\$35,000*

University of Minnesota Center for Urban and Regional Affairs Principal-Investigator for research grant supporting Graduate Research Assistantship support for Minneapolis Art on Wheels. *\$8,216*.

McKnight Summer Research Fellowship Principal-Investigator for grant providing summer salary support to investigate outdoor mobile projection. *\$12,000*.

Microsoft New Faculty Fellowship, University of Minnesota Nominee.

INVITED LECTURES, VISITING ARTIST, WORKSHOPS and PUBLIC SPEAKING ENGAGEMENTS (Selected)

2016 **Stanford University**, invited lecture at the Center for Computer Research in Music and Acoustics (Palo Alto CA, USA) (upcoming)

University of California Berkeley, invited lecture and workshop at the Center for New Music and Audio Technologies (Berkeley, CA USA) (upcoming)

Kansas State University, visiting artist program and Leonardo LASER talk (Kansas City KS, USA) (upcoming)

Media Architecture Summit 2016, presentation of work on a panel on smart media facades and urban intervention (Toronto, Canada) (upcoming)

2016 **Stanford University**, invited performance at March-Mattness, at Center for Computer Research in Music and Acoustics (Palo Alto CA, USA)

CalArts, invited lecture on research and teaching at CMU, for the “Media Tech Forum” organized by Professor Ajay Kapur (Valencia CA, USA)

University of California Santa Barbara, invited lecture on “Lessons from Creative Collaborations in the Kingdom of Engineers and Economists” for Media Art and Technology (MAT) seminar series (Santa Barbara CA, USA)

University of California San Diego, invited lecture and workshop “Urban Projection Practices” at the Design Lab (San Diego CA, USA)

School of the Art Institute of Chicago, visiting artist lecture for class taught by Professor Maria Gaspar (Chicago IL, USA)

Media Architecture Summit 2016, presentation of work on a panel on smart media facades and urban intervention (Toronto, Canada)

University of Colorado, Boulder, visiting artist lecture at the ATLAS Institute, invited by Professor Michelle Ellsworth (Boulder CO, USA)

University of Colorado, Boulder, visiting artist lecture in class taught by Professor Paul Miller--aka DJ Spooky (Boulder CO, USA)

University of Pittsburgh, participation in Panel with composer/theorist and McArthur fellow George Lewis (Pittsburgh PA, USA)

Northern Illinois University, Visiting Artist Lecture and Workshop on “Urban Projection” (Rockford IL, USA)

2015 **New York University**, lecture on creative works invited by Professor Natalie Jeremijenko (New York, USA)

2014 **Aalborg University Copenhagen**, Lecture on interactive and musical works (Copenhagen, Denmark)

2013 **American Musicological Society**, Lecture on musical works at the annual meeting (Pittsburgh, USA)

Glasgow Center for Contemporary Art, Lecture at the on “Truce,” exhibited at the 2013 Sonica Festival of Sound for the Visually Minded (Glasgow, Scotland)

2012 **University of Maine**, invited lecture, studio visits and master class (Portland ME, USA)

American Society of Landscape Architects, invited lecture on urban projection practices, organized by Jeff Schnabel, Architect and professor (Phoenix AZ, USA)

Southern Oregon University, Department of Art, lecture, studio visits and Performance as a part of the Visiting Artist (Ashland OR, USA)

2011 **University of California Berkeley**, invited lecture at Center for New Music and Audio Technologies (CNMAT) on creative works (Berkeley CA, USA)

Anderson Ranch, Workshop on Animated Miniature Worlds (Snowmass CA, USA)

EYEO Festival, lecture on urban projection practices (Minneapolis MN, USA)

Portland State University Department of Architecture, lecture on urban projection at international symposium on Urban Light Strategies (Portland OR, USA)

University of Minnesota, Lecture on Iranian Contemporary art as a part of National Endowment for the Humanities sponsored conference titled *Shared Spaces: Islam and the West in the Arts and Sciences* (Minneapolis MN, USA)

2010 **University of North Dakota**, Lecture on Mobile Projection at Department of Art (Grand Forks ND, USA)

Carleton College, Lecture on mobile projection at Media Studies (Northfield MN, USA)

Amerman Center for Art and Technology at Connecticut College, Lecture on my Liminal Surface project (New London MA, USA)

Vooruit Art Center Physical Computing Workshop and Artist Lecture within “Almost Cinema” (Gent, Belgium)

2009 **Townhouse Gallery**, lecture on Minneapolis Art on Wheels and urban projection (Cairo, Egypt)

Intermedia Arts, lecture on Mobile Projection Practices at “Give & Take” event (Minneapolis MN, USA)

Laboral Center for Contemporary Art, Panelist on Art and Democracy (Gijon, Spain)

Anderson Ranch workshop on “Digital to Physical” co-taught with Robin Mandel (Snowmass CA, USA)

2008 **New York University**, Department of Photography, Lecture on creative works (New York NY, USA)

The School of Fine Arts in Prague, lecture on creative work (Prague, Czech Republic)

Colby College, Department of Art, Lecture on Interactive Sculpture (Waterville ME, USA)

Carleton College, Media Studies, Lecture on Mobile Projection (Northfield MN, USA)
